**Co-Mediation  
is  
Permitted**

Both mediators must be on the peace order mediator roster and must agree to co-mediate and communicate that to the ADR Office.

The ADR Office will not schedule mediators to co-mediate together unless both mediators indicate that preference to the ADR Office.

It is difficult to determine in advance if there will be cases with Peace Order matters. The difficulty arises out of the need for cases to be heard within 72 hours.
